XXII SPACE RESOURCES ROUNDTABLE
Colorado School of Mines
June 7-10, 2022

SRR I ... 1999

Mike Duke

Three necessary steps to develop space resources:

“A recoverable resource, technology to recover it, and a customer.”

SRR Technical Steering Committee

Leslie Gertsch (MST)

Chris Dreyer (CSM)

Kevin Cannon (CSM)

George Sowers (CSM)

Lisa Gaddis (LPI)

Angel Abbud-Madrid (CSM)

Session Chairs

- **Kevin Cannon**, Colorado School of Mines
- **Christopher Dreyer**, Colorado School of Mines
- **Leslie Gertsch**, Missouri University of Science and Technology
- **Julie Kleinhenz**, NASA Glenn Research Center
- **Diane Linne**, NASA Glenn Research Center
- **Adam Marcinkowski**, Lockheed Martin
- **Michael Nord**, Johns Hopkins University Applied Physics Laboratory
- **Laurent Sibille**, Southeastern Universities Research Association/NASA KSC
- **George Sowers**, Colorado School of Mines
- **Paul van Susante**, Michigan Technological University
